Excite your inner adventurer in South Africa! Set out from Johannesburg for a safari in Kruger National Park, one of Africa's leading game sanctuaries that covers more than 7,700 square miles of land between the Crocodile River in the south and the Limpopo in the north. It also boasts the greatest species diversity in Africa with more than 140 resident mammal species, including the iconic Big Five (lion, elephant, leopard, buffalo and rhino). A 4x4 vehicle gives you nearly unlimited photo opportunities to snap pictures of zebra, wildebeest, giraffe, hippo, crocodile, wild dog and vast antelope herds. Then explore the wine-producing region of the Cape Winelands, visit picturesque vineyard estates and sample some of the finest South African wines. Take a stroll through Stellenbosch, a charming vineyard village boasting splendidly preserved Cape Dutch and Georgian-Victorian architecture. Next, discover scenic Cape Town. This once colonial settlement is one of the world's most picturesque tourist destinations and most beautiful cities. Snug between hilly mountains and pristine white beaches, Cape Town is often called the cosmopolitan hub of Africa.

Day 1 Depart USA Depart Denver, CO on a flight bound for South Africa

Day 2 Arrive Johannesburg, South Africa Upon arrival transfer from the Johannesburg airport to your hotel. After check in, spend the balance of the day at leisure. Welcome to Johannesburg, the biggest city in South Africa and also the financial hub of the country. Johannesburg is a relative young city, just over 100 years old. The city is proud to be the biggest man made forest in the world and consists of over ten million trees, making it a beautiful green city in summer. The majority of South Africa’s gold mines can be found near Johannesburg and gave rise to the city just over 100 years ago. Johannesburg is also known as one of the most cosmopolitan cities in Africa with a mixing pot of different cultures from South Africa, Africa and the world.

Day 3 Johannesburg/Sowetto/Mpumalanga/Hazyview (Kruger National Park) After breakfast you depart for Hazyview. Along the way you visit Soweto (South Western Township). This is the largest black residential area in South Africa. You will see a fascinating contrast to Sandton and Rosebank in the north east. This “city within a city” consists of 50 suburbs, or sections and our tour route takes us to all the major points of interest. During this panoramic tour see the Hector Pieterse museum and Mandela House before leaving the commercial hub to travel to the Mpumalanga Region. South Africa’s great Highveld plateau ends at an escarpment in which thundering waterfalls flow from forested cliffs and the horizon undulates under the big sky. This is the beginning of Mpumalanga, a province of sub-tropical savanna, deep ravines, emerald valleys, crystal-clear streams, teeming wildlife and fascinating history. Situated in the north-eastern part of South Africa and bordered by Mozambique and the Kingdom of Swaziland, Mpumalanga is justly known as the land of the rising sun. Upon arrival to Hazyview you will check into your lodge and relax. Dinner is served tonight at the lodge. (B,D)

Day 4 Hazyview (Kruger National Park) - Safari Game Drive Enjoy one of Africa’s leading attractions, Kruger National Park. In addition to the “big five” you’re likely to see zebra, wildebeest, giraffe, hippo, crocodile, wild dog and vast antelope herds. The varied terrain is also home to more than 300 species of trees, including baobabs, marulas and mopanes, countless insects and fascinating plants and grasses. Begin today with morning game drive into the wild. Spend the balance of the morning to mid-afternoon at leisure. In the late afternoon, hop on board your dedicated 4x4 safari vehicle again for another drive to see magnificent wild animals in their natural habitats before returning to the lodge for dinner. (B,D)

After breakfast, transfer to Johannesburg for your flight to Cape Town. Upon arrival, to Cape Town you will head through the scenic winelands countryside to Stellenbosch. A city tour orients you to Stellenbosch and its history, after which you have time to explore this small town on your own. Many of the town's historical landmarks are within easy walking distance of the town center. Discover some of the region's tasty products during a wine tasting at a local winery. Afterwards check in to your hotel and relax. (B)

Day 6 Stellenbosch After breakfast explore the town with a walking tour. Along the way savor traditional Cape food and drinks as your guide leads you through the historic heart of Stellenbosch with its beautiful architecture and oak-lined streets. As you walk along the streets you will be learning more about the Dutch colonialism, history and culture of this town. On this tour there will be wine tasting, local snacks, and lunch with traditional desserts. The rest of the day is yours to relax and drink in the beauty. (B,L)

Day 7 Stellenbosch/Cape Town - City Tour - Robben Island Tour

After breakfast you leave Stellenbosch behind for Cape Town. Weather permitting, take a cable car to the top of Table Mountain, a soaring flat topped mountain, to observe and learn about exotic flora and fauna and take in one of the best views in all of Africa. See the Malay Quarter, Company Gardens, the Edwardian-styled Town Hall, and the Castle of Good Hope. After some free time for lunch we tour Robben Island. Take a ferry to ride across Table Bay to Robben Island. The island was once a prison, where Nelson Mandela spent 18 of his 27 years in prison. Today, it's a UNESCO World Heritage Site where former political prisoners give tours. See Mandela's cell in the prison — it's roughly seven square feet and hear what life was like for him and the other prisoners there, including how he was made to dig in a quarry when officials found out he was acting as a leader during a prisoner rebellion. (B)

Day 8 Cape Town Today enjoy a full free day to explore Cape Town, or take an optional tour to the Cape Peninsula. Travel via the 12 Apostles and Hout Bay to Chapman's Peak for one of the region's most dramatic panoramic views over the city. This full day Cape Peninsula tour will visit Kirstenbosch Botanical Gardens, the Cape of Good Hope Nature Reserve, and the African penguin colony at Boulders Beach. (B)

Day 9 Cape Town to USA or extend your stay with an Optional Victoria Falls extension After breakfast transfer from your hotel to the Cape Town International Airport for your flight back to the USA. (B)

Day 10 Arrive to USA

OPTIONAL VICTORIA FALLS EXTENSION

Day 9 Cape Town/Victoria Falls - Zambezi River Sunset Cruise

This morning after your breakfast at the hotel, you will be transferred to the airport for your flight to Victoria Falls. Local people call it "Mosi-oa-Tunya" - the smoke that thunders. It is 5,604 feet wide and 354 feet high, making it the world's largest curtain of falling water. Remarkably preserved in its natural state, Victoria Falls inspires visitors as much today as it did David Livingstone in the 1860's. The falls and the surrounding area have been declared National Parks and a World Heritage Site, thus

preserving the area from excessive commercialization. On arrival at Victoria Falls Airport you will be met by a Central Holidays representative who will escort you to your hotel. The rest of the afternoon is at leisure to relax. Later join us for a sunset cruise on the mighty Zambezi River. The cruise is a superb way to relax and enjoy the beauty of the river. Be on a lookout for a variety of game; including hippo, crocodile, elephant and sometimes even rhino in their home environment, as well as many different bird species. There will be great photo opportunities against often-spectacular African sunsets. (B)

Day 10 Victoria Falls - Victoria Falls National Park Today enjoy breakfast at your hotel then depart on an informative guided tour of legendary Victoria Falls, one of the biggest and most awe-inspiring on the planet and one of the Seven Natural Wonders of the world. En route, stop by the 'Big Tree', also called Livingstone's Tree, to admire one of the best-known trees in the world. At the Victoria National Park, one of our qualified guides will guide you through the rainforest giving you a brief history of the falls as well as detailing the flora, fauna, bird, wildlife and other points of interest. The falls are massive and invite contemplation from many different viewpoints. You are invited to walk around the area and enjoy vistas. Raincoats are provided when needed. The rest of the afternoon will be at leisure to relax at the hotel. (B)
